

Rediscover Church Cranbrook

We're a group of Christians who meet in people's homes during the week and get together as a whole once a month at Cranbrook Education Campus.

We love to meet new people and try to make everyone welcome, whatever your background.

We get together at various times for barbecues, picnics and beach trips – or just hang out together.

Are you looking for a community where you can meet new people, laugh and cry, chat openly about life and explore the faith, hope and love that we find in Jesus, the Bible and our Christian faith?
